MOULTON, KEN (5130)

Ken is a Native Californian who was raised in Northern California and attended the University of California on an athletic scholarship. After playing four years on the Golden Bear football team, Ken graduated from Cal with a BA in History and began his career in public education. He spent 38 years at the secondary level serving as a classroom teacher for 19 years and a school administrator for 19. Ken retired in 2003 from the California public school system having served as a teacher and a principal of both middle and high school students and as a director of alternative education.

In addition to secondary education, Ken has taught teacher-training classes at the University level. His own personal education also includes a Masters Degree in History and a Ph.D. in Leadership and Human Behavior. Ken was one of the founders of the Windsor Boys and Girls Club and served on the United Way Board for many years. Ken served his community passionately in working on behalf of the interests for at-risk students throughout his career.

Ken and Pam were married in 1989 in southern California and moved to the North in 1991, settling in Healdsburg. Pam works as an educational psychologist in private practice. Both enjoy time with their two grandchildren, Jordan and Lindsey, who live with their parents in southern California. Ken and Pam also love to travel while spending time together in the work of Rotary.

Ken joined the Rotary Club of Windsor in 1991. Before becoming Club President in 2002-03, Ken had served his Club in a variety of capacities. At the District level, Ken served as the chairperson for the Festival of Brotherhood in Mexico from 2003-05. This cooperative experience between District 5130 and 4150, helped deepen Ken's commitment to world service projects and Rotary International. Ken also served as Club Coordinator and Assistant Governor before becoming District Governor Nominee in 2006. Ken and Pam have hosted four Exchange Students over the years and are committed to the Youth Exchange Program.

Ken and Pam share a love for Rotary and it's many programs aimed at ending human suffering while seeking world peace. For her many efforts as a partner and supporter of Rotary, Pam was made an Honorary Rotarian in 2002. Both Ken and Pam look forward to participating in a National Immunization Day in Nigeria in December 2006 and in serving District 5130 as partners in 2007-08.
